

SPONSORSHIP OPPORTUNITIES

The RedHawks are under new ownership!!

With an entirely new ownership group and new coaching staff, the Cambridge RedHawks are focused on community involvement and player development. With a full management team, the hockey staff comes with over 30 years of experience at this level. Our new leadership is determined to increase community involvement and participation as big part of our player development.

The RedHawks need your help! We are selling advertisements and partnerships to help create a better experience for anyone involved in our program. Our team also sees this as a chance to connect with grassroots of hockey, promote and develop local players and create a positive culture at the junior hockey level.

The Cambridge RedHawks Hockey Club would like to invite your company or organization to become a part of our team. Official sponsorship with the Cambridge RedHawks Hockey Club provides your company or organization with the ability to meet a variety of marketing objectives:
